## IL VECCHIO PASTIFICIO di Gragnano

Making pasta in Gragnano is ancient form of art, that involves history, culture, patience, secrets and traditions. To be born and raised in Gragnano means to be surrounded by the exalting taste and scent of the durum wheat semolina and from the pasta that comes from it. In 1976, Mario Moccia bought a famous pasta factory and devoted all his time and efforts to producing exceptional quality artisanal pasta packed in unique, refined, elegant and catchy packaging that certainly doesn't go unnoticed.
